

Do Vaccines stop, or start Pandemics?

This is the other side of the story, not found on "Tell Lie Vision"

Did you know that the first vaccine ever, smallpox of 150 years ago, sparked a pandemic which killed hundreds of thousands? Likewise, did you know that the infamous Spanish flu which killed over 50 million people worldwide, was sparked by an American vaccination program and that the only countries unaffected were those that opted **OUT** of the vaccination program?

Did you know that criminal charges are being filed in multiple countries, as well as with the **FBI** against those conspiring to decimate the human population with a reverse engineered virus concoction to be delivered via a global mass mandatory vaccination program in the fall of 2009?

Did you know that all vaccine suppliers have legal **immunity** from any death or damage caused by their vaccines?

Did you know that many of the world's governments, including the US, have signed over their sovereignty to The World Health Organization in a time of 'crisis'? Are you aware that the US and Europe fully **intend to militarily enforce the lethal injections** to be mandated this fall? Don't be fooled by any reports stating we have a choice.

Did you know that there are many people around the world already involved in "**Operation Fax to Stop the Vax**"? We are faxing/emailing law enforcement, military, churches, senators, mayors, schools, etc. to stop what might have been the '**Greatest act of Genocide the Earth has ever Seen**'. We need you to join with us **NOW!** Begin **NOW!** Start by putting your phone number on this flier, and then copy and distribute it. Meet in your homes.
