

URGENT MESSAGE TO THE PEOPLE OF HUERFANO COUNTY

DATE: Aug. 20, 2009

FROM: [Bruce Kettler](#)

On April 30, 2009, in the morning, I delivered printed copies of news items about the latest Swine Flu New World Order deceptive operation against the people of the world, to Sheriff Bruce Newman's Secretary for delivery to the Sheriff. I also presented a DVD [copy](#) of *The Obama Deception* and the DVD contained [my addition](#) to it. The previous underlined are links that will show both videos on the Internet.

This is an emergency situation for the people of this county.

It is a matter of life or death to each and every one of you people who live here. It is important that you [contact](#) your elected County Commissioners, and write a letter to the Sheriff, telling them you are concerned about the fact that the U.S. media is placing propaganda to get the people accustomed to the idea of [forced inoculations](#), and that if the idea becomes reality, it could be dangerous. Baxter Pharmaceutical "...was involved in a scandal involving vaccines tainted with deadly avian flu virus." Baxter was working with the World Health Organization on a vaccine that is scheduled to be ready in July 2009. See above links, 1 through 4, for full texts of quoted material.

Do you want to give Baxter, or any company the responsibility for the lives of you and your family?

Since the last production of this flier, the situation worldwide has grown far worse, with countries in the world enacting forced vaccination rules. It is imperative that all you reading this look to the latest information on [this page](#).

Learn how "...dozens died and hundreds were injured from vaccines as a result of the 1976 swine flu fiasco, when the Ford administration attempted to use the infection of soldiers at Fort Dix as a pretext for a mass vaccination of the entire country."

Learn about how Journalist Jane Burgermeister filed charges with the U.S. FBI about a probable future act of genocide.

[Click to this page](#), to learn of *County Sovereignty*, and *State Sovereignty*, and what the law actually is. Then pledge and deliver whatever support may be required of your Sheriff, and your other elected officials, to legally maintain the protection of the people in this county.

[May 19, 2009 special urgent message](#) about Federal Government taking people's guns, and **VETERANS** you are special targets for this. Don't believe the lie that this, and the flu issue, is a **FEDERAL ISSUE ONLY**. No, it's primarily a **COUNTY** issue in Huerfano County, and there's need for all of us to take political action now.

Copy this page, and give it to as many people as possible. Write your phone number on the page, and meet with others to work together.
