Many Sheriffs in the U.S have made public statements about the gun issue, vowing to not allow infringement of the people's rights. We appreciate your agreement with the statement from **County Sheriffs of Colorado**, and we expect you to abide by it. Be assured you will receive our support in that endeavor.

Feel free to call upon us to support you.

[This document](#) indicates the position of the Colorado Sheriff's Of Colorado - which Sheriff Newman is part of, and which he stated, on February 5, that he agrees with.

***County Sheriffs Of Colorado believes in the Second Amendment of the U.S. Constitution that guarantees the right of the people to keep and bear arms and that this right shall not be infringed... CSOC will not waiver on our defense of the Constitution and will stand to preserve every constituent's right to possess a firearm.***

We also thank you for participating in the lawsuit of the Sheriffs in Colorado, against the State of Colorado, regarding the State Gun Laws that were recently passed.

We thank you for the stand you have taken in newspaper interviews, regarding gun control.
